

Support Friends of Shades Creek

Our group, with 12 volunteer board members and no paid staff, works for the protection of and responsible development along beautiful Shades Creek. We started in August 1998. Our mission is to educate and engage the community in the preservation efforts of Shades Creek. We hold monthly meetings, conduct canoe trips and outings, do a yearly creek cleanup, and educate the community with the annual Salamander Festival. We are supported by memberships and donations. We invite you to join us and become a member. Additionally, the book, *Shades Creek, Flowing Through Time*, is still available for \$30. It has 365 photographs, maps and drawing on 216 pages. It is a history of Shades Creek and the communities it flows through.
